Lilli Hollunder

Lilli Hollunder is her real name — not a stage name — and the name fits her perfectly, because it promises freshness, lively naturalness, humour and brightness, all of which Lilli delivers in every measure. She is a warm Rhinelander whose open manner finds its way straight into the hearts of the cool people of Hamburg. For two years now, the mother of two small children has been the new face on the police team on NOTRUF HAFENKANTE.

Lilli speaks fluent German and English, gets by charmingly in French and Spanish, and surprises people with a working command of Turkish. With her southern European look and 166 cm of concentrated energy, she makes her presence felt on camera. When she's not playing tennis or boxing, she brings real momentum to the dance floor with salsa and waltz. Oh, and she has her open water diving licence — just in case the next role plays out under water.

She also hosts a successful podcast: MEA CULPA.
