Marc Dumitru

Marc is a real jack-of-all-trades: on screen, on stage, or on social media, for grown-ups or for kids — Marc is at home everywhere. He loves slipping into the most varied roles, whether as actor or presenter. If Marc's life had a title, it would be a sitcom and almost certainly called "Quatsch mit Marc", because no matter what he does, he does it with plenty of wit, charm and warmth. Marc grew up on Lake Constance and loves spreading fun and good cheer. No shower passes without a full-blooded aria, no glance in the mirror without a face pulled. He always has a smile on his lips — and at the same time a fine instinct for the seriousness a moment may need, in front of or behind the camera. The full range of his talent shows when he plays sleazy or unpleasant characters, which he does with real passion and dedication. When he's not on set, he pulls out his iPhone and shares his joy of life on social media in countless ways. The hashtags #actor #presenter #bürohengst capture the balance between creative play and reliable professionalism — the two pillars he stands on. Marc really is a jack-of-all-trades.
