Nico Thabo Geister

Nico is an all-round athlete with extraordinary body control. He pursues a wide range of leisure sports with real passion: parkour, Krav Maga, skiing and snowboarding, football and diving. Above all, Nico is a passionate breakdancer, regularly entertaining his large community on his successful Instagram and TikTok channels with, among other things, dance tutorials. In the KiKa series "Durch die Wildnis 2021", he fully lived out his passion for being in front of the camera, and the wish to make acting his profession solidified. Thanks to his international background, he speaks fluent English and Dutch in addition to German.
